

# Mobile Careers Caravan On-line Research

Choose a couple of career areas that you would like some more information on. 1. \_\_\_\_\_

2. \_\_\_\_\_

Research 2 websites for each career area.

What were the most interesting things you found out about career area 1. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2. \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

What other helpful websites can you find?

How will this information help you in the future? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Planning and information provides the groundwork for a successful future.

What topics could you 'google' at home to help with your career research?

---

---

---

Write down some useful websites to search at home

Setting goals and writing down your plan for the future can be really helpful. Where can you find a copy (template) of a 'Transition Plan'?

---

---

---

With planning, research and committing your goals to paper, I don't need to wish you luck – you are making your own luck happen!
